WHAT ARE THE KEY NEEDS AND OPPORTUNITIES IN AFFORDABLE, QUALITY AND AVAILABLE CHILD CARE IN PRINCE RUPERT?

CHILD CARE ASSESSMENT & ACTION PLAN

Help Create a Community Plan to Meet Local Child Care Needs

The City of Prince Rupert Child Care Assessment & Action Plan will provide the community with a clear picture of existing and future child care needs along with actions to realizing space creation targets.

Key elements of the plan:

- Inventory availability of current child care spaces;
- Identify community child care needs & space creation targets;
- Create a community action plan to meet space creation targets.

Your participation is key to ensuring the plan reflects the unique needs and opportunities of the Prince Rupert community!
